## CHETWYND RCMP NEWS RELEASE

On 2011-12-27 at approximately 9pm the Chetwynd RCMP received a complaint of overdue missing snowmobilers. The pair were snowmobiling with friends in the Hasler area west of Chetwynd, B.C.

The RCMP worked along with the local Search and Rescue (SAR) team in coordinating a search/rescue for the overdue snowmobilers.

On 2011-12-28 the wife of one of the snowmobilers called to advise that she had received a SPOT message on her computer advising assistance was needed and GPS coordinates were provided. This information was key in assisting the RCMP and SAR in locating both missing parties in good health.

The RCMP would like to remind the public to ensure you plan accordingly for recreational activities. Ensure you are aware of the current and future weather and avalanche conditions for the duration of your activities. The use of SPOT system greatly enhances the ability for the RCMP and SAR to locate someone who has activated it and requires assistance.

Wishing you a joyous

### THE NEW YEAR

“Another fresh new year is here . . .  
Another year to live!  
To banish worry, doubt, and fear,  
To love and laugh and give!

This bright new year is given me  
To live each day with zest . . .

To daily grow and try to be  
My highest and my best!

I have the opportunity  
Once more to right some wrongs,  
To pray for peace, to plant a tree,  
And sing more joyful songs!”
