## CHETWYND RCMP NEWS RELEASE

On January 24, 2012 the Chetwynd RCMP received a complaint of an assault at the Chetwynd Super Valu grocery store. Investigation revealed that a caucasian male entered the store and attempted to steal several items. The male suspect was stopped outside by store employees at which time he began to fight with them and ultimately used bear spray on one of the employees. A native female suspect then also deployed bear spray at the employees and fled on foot. The male suspect got into a stolen white Chevrolet Cavalier and departed the scene.

Both suspects were located at a residence a short time later and arrested. Both have been held in custody and are facing several charges. No names are being released at this time.

The Chetwynd RCMP are requesting anyone who may have witnessed this incident, or observed the male suspect park and leave the white Chevrolet Cavalier to please call our office at 250-788-9221.

## SPECIAL INTAKE FOR COMMUNITY GAMING GRANTS NOW OPEN

Groups focusing on adult arts and sports, animal welfare and the environment are encouraged to take advantage of a special community gaming grant application intake, Ida Chong, Minister of Community, Sport and Cultural Development, announced.

Earlier this month, Premier Christy Clark announced the Province was increasing its annual community gaming grant base budget to \$135 million - \$15 million more than originally budgeted for 2011-12. As a result, the Province is holding a special intake between Jan. 16 and Feb. 13 so that previously ineligible groups can apply for grants this fiscal year.

These groups include non-profit and charitable organizations that deliver services related to adult arts and culture, adult sports, the environment and animal welfare. Animal shelters, fish and wildlife associations, lake and stream stewardship societies, district arts councils, museum societies, theatres and other similar groups are now eligible to apply online.

Quotes: Ida Chong, Minister of Community, Sport and Cultural Development - "This special intake allows previously ineligible groups to apply for community gaming grants during this fiscal year. Broadening the scope of these grants and assuring that the base funding remains intact from year to year clearly demonstrates our commitment to supporting non-profits in the important work they do for B.C. families."

Robert Gloor, executive director, Alliance for Arts and Culture - "Community Gaming Grants can make up a significant portion of an organization's budget, which is why this funding and its reinstated eligibility are good news on so many levels." "At the alliance, we want to help get the word out about the special intake, so everyone who is eligible can benefit from this funding program."
