## BC HYDRO AQUAVAN DELIVERS AQUATIC PROGRAMS TO SCHOOLS IN THE PEACE RIVER REGION

BC Hydro AquaVan, the Vancouver Aquarium's "classroom on wheels," will be touring schools in the Peace River region and Fort Nelson from May 26 - June 24, 2011.

The BC Hydro AquaVan delivers aquatic programs featuring live marine animals, props and activities throughout British Columbia and Alberta. Students have the opportunity to touch a sea star, understand how a barnacle feeds, observe a hermit crab up close and discover the connections among animals, the environment and themselves.

Thanks to the generous support of the Peace River region and Fort Nelson tour sponsors, Spectra Energy Transmission, Imperial Oil Limited and Encana, BC Hydro AquaVan is able to expand its aquatic outreach to these northern communities. Additional support for the Fort Nelson trip has also been provided by Quicksilver Resources Canada Inc.

BC Hydro AquaVan will be visiting Chetwynd, B.C. on June 24, 2011 at the Little Prairie Elementary School. This community event is free and open to the general public for all to enjoy.

### About BC Hydro AquaVan

The Vancouver Aquarium's mobile classroom, BC Hydro AquaVan, delivers award-winning aquatic programs to schools and communities throughout British Columbia and Alberta. Since 1994, over 400,000 students and community members have shared an up-close and personal experience with live aquatic animals and discovered the connections we have with our natural environment. Learn more at [www.vanaqua.org/education/aquavan](http://www.vanaqua.org/education/aquavan).

### About Vancouver Aquarium

The Vancouver Aquarium is a global leader in connecting people to our natural world, and a self-supporting, non-profit association dedicated to effecting the conservation of aquatic life through display and interpretation, research and direct action. Learn more at [www.vanaqua.org](http://www.vanaqua.org).

**WEEKLY HOROSCOPE**

**ARIES** (Mar. 21- April 20) Try to curb your habits, or you could find yourself in an awkward financial position. Don't be afraid to push your beliefs and attitudes. You may have taken on a little too much, but you will enjoy every minute of it. You need to mingle with people who can spark enthusiasm and confidence in you. Your lucky day this week will be Saturday.

**TAURUS** (Apr. 21- may 21) Your emotional reaction will be dependent upon your partner's responsiveness. Visit friends or relatives you don't get to see very often. New love connections can be made through group associations. Over spending or unexpected bills could set you back. Your lucky day this week will be Saturday.

**GEMINI** (May 22-June 21) Changes in your home may be disruptive and upsetting. Deception and confusion regarding your status in society is likely. Concentrate on your career and on making money. You may find it impossible to get the rest you require. Your lucky day this week will be Sunday.

**CANCER** (June 22-July 22) Try not to be too harsh with your mate. You can make a serious attempt at quitting those bad habits that you've picked up over the years. Do whatever your mate wants; it really doesn't matter as long as you're together. Problems with ear, nose, or the throat are likely. Your lucky day this week will be Saturday.

**LEO** (July 23-Aug 22) You may be emotional if you allow your lover to take advantage of your good nature. You will have a greater involvement in groups; however, they may not be to your advantage. Your ability to deal with others will help you in getting the support you need. You won't be admired at home if you haven't been taking care of your share of the work. Your lucky day this week will be Monday.

**VIRGO** (Aug. 23 -Sept. 23) Don't hesitate to sign up for creative courses or physical fitness programs. Be sure to get involved with those who can introduce you to unusual forms of entertainment. Talk to others about your plans. Educational pursuits should help you develop your hobbies. Your lucky day this week will be Thursday.

**LIBRA** (Sept. 24 -Oct. 23) Elders may get you going this week. You have a tendency to think that no one else will do things properly. Sudden romantic encounters will set your head spinning. You may have difficulties finishing projects you start. Your lucky day this week will be Thursday.

**SCORPIO** (Oct. 24 - Nov. 22) You are best to avoid confrontations. Sudden trips may take you by surprise; try to include your mate, mixing business with pleasure. Don't go out of your way, and don't let these unexpected guests cost you money. Be discreet with private information. Pleasure trips will promote romance. Your lucky day this week will be Friday.

**SAGITTARIUS** (Nov. 23 -Dec. 21) You should visit a friend or relative who hasn't been feeling up to par. Social events may lead to a romantic interlude. Be honest in your communication and don't lose your cool. Your interest in religion and philosophy may lead you to specific destinations. Your lucky day this week will be Saturday.

**CAPRICORN** (Dec 22.- Jan. 20) Be cautious who you deal with financially. Unexpected bills will leave you a little short. Your attitude is changing rapidly and your plate is overloaded. Don't let someone try to bully you into doing things their way. You can make new friends by taking part in social events involving colleagues. Your lucky day this week will be Sunday.

**AQUARIUS** (Jan. 21 -Feb. 19) You'll find it easy to meet new people. You could receive recognition for a job well done. Be firm when dealing with matters pertaining to your environment. You should be looking at ways to spoil yourself. Your lucky day this week will be Sunday.

**PISCES** (Feb. 20-Mar. 20) You are exceptional at presenting your ideas. You will find a way making that extra money. Stick to basics. Focus on what's important rather than spreading yourself too thin and accomplishing little. Your lucky day this week will be Saturday.

**BC CENTRE FOR DISEASE CONTROL  
PROVINCIAL HEALTH SERVICES AUTHORITY**

BCCDC advises parents and caregivers to stop feeding Simply Thick formula to premature infants.

The BC Centre for Disease Control in conjunction with the Public Health Agency of Canada and US Food and Drug Administration is advising parents and caregivers to stop feeding the thickening product, Simply Thick, to premature infants who were born before 37 weeks as it may cause a life-threatening condition.

Simply Thick is a product that can be added to liquids, such as breast milk and infant formula, to thicken them to make them easier to swallow. It is sometimes used for premature infants to help them with swallowing difficulties.

The US Food and Drug Administration has reported 15 cases of necrotizing enterocolitis (NEC) including two deaths, involving infants who were fed Simply Thick for varying amounts of time. NEC is a serious (and sometimes fatal) condition where the tissue of the intestine is damaged. It mostly affects premature newborn infants.

The Public Health Agency of Canada is working with the USFDA on this issue and is investigating whether there have been any related cases in Canada, although to-date, no similar illnesses have been reported in Canada.

Distributors are being contacted to ensure they are aware of the public advisory so that the product can be removed from store shelves.

Symptoms of NEC include, but are not limited to:

- \* Bloated stomach
- \* Greenish-tinged vomiting
- \* Bloody stools

"Based on the information from the Public Health Agency of Canada and the USFDA, the BCCDC is concerned about the potential health impact on infants. Parents and caregivers should immediately stop using this product," says Lynn Wilcott, Acting Program Director, Food Protection Services, Environmental Health Services, BC Centre for Disease Control. "Parents may have purchased Simply Thick through BC pharmacies without a prescription or through direct internet sales. If you have been using the product, and notice any unusual symptoms in your infant, contact your health care provider immediately."

The BCCDC is working with BC health authorities, and the Public Health Agency of Canada to monitor the situation and will provide further updates as necessary.

The Saulteau First Nations Cree-ative Wonders Class

The Saulteau First Nations Cree-ative Wonders Class along with their teacher Allie Spears toured the Moberly Lake Volunteer Fire Department. The class enjoyed trying on a uniform, watching Sparky the Fire Dog video, climbing on the fire trucks and eating treats made for firefighters attending a long fire.

The height of the tour was when Firefighter Chris Henry pulled truck #1 out of the hall and did a lights and sound demonstration. This definitely convinced some young ones to say, "When I grow up I want to be a firefighter." It was a field trip that won't be soon forgotten!
