CHETWYND GIRLS VOLLEYBALL

The Chetwynd 14 & under Club Girls Volleyball Team attended the B.C. Provincials in Abbotsford, and had an excellent experience, and placed 9th out of 14 teams. The Team would like to thank the coaches Helen Topin, and Christie Fowler. Go Chetwynd Chargers, Go!

PRESS RELEASE

The Chetwynd Fire Department responded to a desperate plea from a resident living in a trailer subdivision eight kilometers from Chetwynd on Asleson Subdivision Road on Highway 29 S, the main road to Tumbler Ridge on Saturday, May 5, 2012 at 11:30 in the morning.

The resident was making dry meat when high winds carried the fire from the contained area to her trailer, a neighboring trailer, sheds, a pump house and proceeded to burn a large swath of grass and trees including trees killed by the Pine Beetle upwards onto Wabi Mountain. Cell telephone and radio towers were close by and were threatened by the fire.

Chetwynd BC Forest crews attended immediately. Water bombers and helicopters were dispatched to the scene and assisted in preventing the spread of the fire to the towers and into heavy timber. Air bombers attended from Fort St. John and repeatedly bombed the blazes with fire retardant, while helicopters continued to bucket water over the site.

Fire fighters extinguished the fire under one trailer and proceeded to work towards the trailer which was fully engulfed in fire and smoke. Sheds and small buildings had been destroyed due to the extreme high winds and the fire in the original trailer totally destroyed it.

Crews from the Chetwynd Volunteer Fire Department and BC Forest Service stayed on the scene for well over seven hours and the resident, her husband and her pets were taken care of by the Chetwynd Emergency Social Services Team for care and comfort.

BC Forest Service crews did an excellent job and worked hand in hand with Chetwynd fire fighters. There were no injuries. All pets, including a 3' foot corn snake and a water soaked cat, were rescued. Considerable fire damage did result from the series of blazes.

Arnie Durau

January 10th, 1953 - May 4, 2011

In the morning when we awaken...and to the night before...there is not a heart beat in life that I do not think about our Brother Arno.....A Son, A Husband, Our Brother, An Uncle, A Friend forever... an Angel walks beside us...

Invisible these Angels, they never leave us day or night. They know our sadness and whisper "things are going to be alright". Arno has spread his Angel Wings to give us Peace, Thanks, Prayer...to fish, enjoy the view, feed a squirrel, cry tears of love, enjoy a good meal, enjoy sunrise and set...his tap on my finger I will never

forget as we shared Arnie's journey to a new place...

His life will never be forgotten... Our paths one day we shall meet again and in the meantime, we have a path to come together to a place to visit...

To enjoy the view and embrace all the wonderful moments of sharing such a wonderful gift of the Life Journey of

Arnie Durau... January 10th, 1953 - May 4, 2011

A Bench... built by the hands of those that loved Arnie and as such as Arnie built for all of Us...

This day and all days... a moment to share in Remembrance.

"When I must leave you for a little while please do not grieve and shed wild tears and hug your sorrow to you through the years but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same; feed not your loneliness on empty days, but fill each waking hour in useful ways, reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky"

Always...In Loving Memory Arnie Durau

Love Mom, Monica, Manfred, Elaine Durau & Family

MINING WEEK IN BRITISH COLUMBIA 2012

Once a year British Columbians celebrate the contribution the mining industry makes to the economy province.

In the North East, the communities of Tumbler Ridge and Chetwynd have enjoyed a resurgence in coal mining, with a number of very productive mines providing economic stability and well paying jobs!

The present trend is predicted to continue as investment from around the world indicates an ongoing interest in mining development, for the foreseeable future.

The mining industry helps drive our economic well being and contributes to a better quality of life for all British Columbians.
