WHY CHOOSE Direct to Garment

Direct printing offers vivid, crisp reproduction of text and images. While vinyl overlays can reproduce a nice image (assuming the original file is a high resolution or vector image) it won't be as sharp or vibrant as direct printing

Violet Night has reached new Heights Making #52 on the alt rock charts

VIOLET NIGHT's new single "(If) you are the Ocean (then) i would like to drown" is making serious waves internationally on the radio. VIOLET NIGHT is composed of Connor Pohl, TJ Rounthwaite & Tay Ewart. Pohl and Rounthwaite grew up in Chetwynd, while Ewart grew up in Toronto, where the band is now based. After signing on to work with Universal Music Canada's Radio & Promotion department and being picked up by SiriusXM the band began their blazing ascent on the radio charts. Coming in two weeks ago at #246 and now this week where they currently reside at #52, just behind acts like Twenty One Pilots and Imagine Dragons - and still, they are climbing. I spoke with Connor Pohl, the lead singer and songwriter for the band and he happily exclaimed "I have never been more inspired than I am right now". The passion he has for the music he writes is very inspiring. We spoke about how he measured success and he said, "For me lyrically resonating with people is really important". Pohl added that "passion, tenacity and authenticity are key" to the band's success and on a personal note Pohl added "when I think of my Grandpa Robert Pohl, and then think of myself being Connor Pohl, I hope with our success that I bring pride to that name, he's always been a very inspiring person in my life and it means a lot to me to be a positive reflection of my family". When asked how he's feeling with the state of things for the band Pohl said "It's pretty surreal, I am enjoying the moment but this is just the beginning". **Continued on back**

Times Square was originally called Longacre Square until it was renamed in 1904 after The New York Times moved its headquarters to the newly built Times Building.

**"Don't walk in front of me... I may not follow
 Don't walk behind me... I may not lead
 Walk beside me... just be my friend"**

Certainly growing up in a small town can have its positives and negatives, when asked about his humble beginnings to the heights he has achieved Pohl quickly shot back with a confident "always strive for more. anyone can do anything, the real question is how hard are you willing to work to get what you want out of life? If someone else can do it, so can you. Let the people who don't believe in you be an inspiration, the best victory you can have is won NOT with words, but with results". The single (if) you are the ocean (then) i would like to drown that has been garnering the band so much attention comes from the 2020 album "A N T H E R O E S" which debuted at #9 in Canada and #39 in the USA on the alternative and rock charts, passing the likes of Machine Gun Kelly and Marilyn Manson upon its debut. Most recently the band was invited by the Edge in Toronto to perform what is called a Sugar Beach session, of which many of Pohl's heroes have performed. Pohl responded with "if you give me an opportunity to step up to the plate like that you can bet that I am going to swing for the fences".

VIOLET NIGHT's Pohl and Rounthwaite have spent much of their downtime during the pandemic in Chetwynd, but will soon be relocating back to Toronto where their management, and core of their team resides. "Chetwynd has been a nice break from the hustle and bustle. I have been teaching guitar to locals and really am enjoying it. I feel as though I've made many friends in my students and am thankful to be a part of such an important part of many of their formative years".

New music is on the way, as the band spent a good portion of last November in the studio recording new music they had written during the pandemic. The band is booked with Juno award winning producer Ryan Worsley to record more new music at the end of May, with another song going to international radio in June. "We've got 3-4 more songs our team is confident will make radio following the success of 'if you are the ocean". "We have a lot of momentum right now and we're going to do everything we can to build on that. Hopefully the world goes back to normal because we cannot wait to tour Canada and the USA again, and our management really wants us to do a European tour as well. Sign me up!"
